

Small Cap 10M into 100M Large Cap PPP Trade Program in 5 to 6 Weeks

A 21 plus year Tier 1 Primary Platform will assist verified investors that have a minimum 10M on ledger cash funds or more to open an account in the investors name in a major Singapore Bank such as DBS Singapore. The objective is for the Platform to execute a Buy/Sell program of SBLC's on behalf of the investor. In a 1 to 6 week period of time the investor will earn 100M from the Buy/Sell SBLC program. The Investor will then have adequate funds to be automatically entered into a 40 week to 5 year Evergreen PPP earning approximately 40% per week profit, paid monthly. This platform will allow compounding of any portion of month-to-month profits.
